TEMPERATURE MONITORING

To ensure the health and safety of all our guests and employees, we have installed discreet temperature monitoring systems across the resort to help prevent transmission of viral infections.

SOCIAL DISTANCING

We have customised our guest experience from beginning to end to comply with social distancing where necessary. We have ensured minimal disturbance to our beautiful public spaces during this adjustment.

HYGIENE & SANITATION

We have elevated our sanitation and disinfection regimes ensuring a safe and special experience for you and your guests. [Click here](#) for more details on our hygiene measures.
