# PROPOSAL INSPIRATION

BEYOND EVERYTHING

*The most beautiful setting for the most beautiful question...*

*"Will you marry me?"*

The moment you ask someone to spend the rest of their life with you is a moment that both of you will remember forever. It will become a treasured story: one you will tell over and over again, for the rest of your lives. Planning for that perfect moment can be exciting, emotional, and often, a little daunting. If you are looking for inspiration to help you plan your perfect proposal, this guide is for you.

Adare Manor offers you an unforgettable fairytale setting and individual planning support from our Guest Experience team to help you create the most romantic and unforgettable engagement experience any couple could dream of. In the following inspiration guide, we offer some of our favourite proposal experiences to help you get started, however, we can also assist you in organising a fully bespoke proposal event based on your own ideas and preferences.

# GUESTROOM PROPOSAL: SIMPLICITY

Sometimes a simple gesture can say everything. Stay overnight in the Manor House, and bring them for a walk around the estate or a nightcap in one of the Adare Manor cocktail bars. When you return to your guest room, our Guest Experience team will have set the scene with a simple but exquisite arrangement of flowers and candles, crowned with a “Will you Marry Me?” balloon. Ideal for a more modest engagement or a smaller budget, this intimate proposal option is a beautifully understated way to ask them to be yours forever.

# HORSE AND CARRIAGE PROPOSAL

The timeless romance of a horse-drawn carriage ride makes this option the stuff that fairytales are made of. A drive through the Adare Manor grounds in our beautifully appointed, weatherproof carriage is a perfect way to set the tone for what's about to happen. Wrapped up in lambswool blankets and sharing a bottle of Champagne, you'll be treated to a bespoke tour by Sarah Evans, our tour guide, an established historian in the locality and a seasoned keeper of secrets. Under the guise of stopping to take a photo of the two of you at a particularly picturesque spot, Sarah will park the carriage and invite you to pose: this is your cue to go down on one knee and ask the question that's been on your heart. Sarah will be standing by to capture the moment forever, on photo or video.
